# FIND ALL THE ANSWERS

Which A levels can I do?

What grades do I need?

Where can I do a Diploma?

Where can I go to college?

What can I do in post 16 at school?

What are my options after Year 9?

What careers will courses lead to?

What about Apprenticeships and Young Apprenticeships?

Are there any open days I can go to?

# FIND COURSES IN 3 EASY STEPS...

1

Go to:

**www.  
coursefinder  
-leics.org**

2

Type an  
idea into the  
search box

...it could be a subject,  
like 'Engineering', a type  
of course like 'BTEC' or  
'Diploma' or the name of  
a college.

3

Browse your  
results

...and amend or narrow  
your search if you need to.

LEICESTER SHIRE

### Key Word Search

Choose this option if you know something about the course you want to do. It lists all the courses that match your search words.

### Provider Search

Choose this if you know the place you'd like to go to and want to know what courses they have on offer.

### Subject Search

Choose this if you want to browse the courses on offer in each subject area.

### Multiple course search

Choose "Search for more than one course" to see where you can study a combination of subjects such as A level maths, chemistry and computing.
