Inspection Report: [Ofsted](#)

Ashby School is a mixed comprehensive school for students aged 14 - 19.

It is both a Specialist Technology College and a Specialist Languages College.

Ashby School prides itself on being at the forefront of educational progress. Since 2000, the school has invested almost £4 million in structural improvements, as part of an extensive and ongoing building programme.

The school serves a wide catchment area across North West Leicestershire. There are almost 1700 children on roll, of whom more than 550 are in Post-16 education.

The school has its own boarding facilities for boys only. Enquiries about admission to the boarding house should be addressed to the Head of Boarding at schoolhouse@ashbyschool.org.uk
