In addition to all of the publications listed above, the Communications Team will continue to:

- support schools and colleges as they develop and maintain their information provision
- support Connexions centres develop and maintain their Info Zones
- deliver training on resources to staff and partners
- enhance and improve the Connexions Leicester Shire website as a major resource for young people, parents, staff and partners, and employers
- market our services to young people, parents and carers, and partners.

If you have any questions about the above please contact Rebecca Rose or Bill Edwards on 0116 261 5900
