

Providing Connexions/Careers Information in Schools and Colleges

Dates:

3rd February 2010 ~ 9.30 – 1.00

Venue: Leicester Connexions Centre, 91 Charles Street, Leicester

11th February 2010 ~ 9.30 – 1.00

Venue: Loughborough Connexions Centre, 7 Fennel Street, Leicester

29th April 2010 ~ 9.30 – 1.00

Venue: Loughborough Connexions Centre, 7 Fennel Street, Leicester

Who will benefit: The course will suit anyone working in a school or college who is involved in:

- Selecting and maintaining careers and Connexions information resources
- Supporting students in finding and using resources
- Embedding use of information resources within the careers education and guidance programme

In the past both careers coordinators and librarians have attended.

Aims of the session:

The course will cover:

- Key information resources available and their suppliers/sources
- The role of paper and computer based information including 'virtual careers libraries'
- Organisation and presentation of resources to enable easy access
- Hands-on sessions using key resources including Kudos, Careerscape, JED, jobs4u, CourseFinder and the Connexions Leicester Shire website.

Previous attendees comments

"Good to get an update on the latest resources."

"Enjoyed the practical session using software and website."

"Looking forward to setting up my virtual library when I get back to college"
